

The last graph presents the accumulated download share in the last six months. The time period is defined from the publication date up to today.

For more information about your chapter statistics log in into your author's profile by following the link below

<http://www.intechopen.com/account/login>

Once logged in, you can choose one of the options in the Charts selection. By defining the time frame, a summary of the total number of downloads by countries within the selected time period will be displayed. You can also view specific charts referring only to countries, or to a time frame of your choice.

Thank you for choosing InTech as your Open Access publisher.
